Our Teas

Choose from a variety of teas

Earl Grey

Organic flavoured black tea

This classic tea combines the sweet, spicy strength and the fresh, fruity note of the bergamot. The end result is an exquisite, refreshing tea, packed with flavour and a fresh citrus taste.

Peppermint

Organic herbal infusion

The finest aromatic peppermint produces a bright, cool, crisp and refreshing taste. The after-taste is soft and accompanied by a beautiful cold undertone.

Ginger & Lemongrass

Organic green tea

Green tea from China combined with spicy ginger and the fresh, delicate citrus notes of Asian lemongrass.

A flavourful and uplifting tea with a sweet lingering aftertaste.

Our Teas

Wild Berry

Organic herbal infusion

An intense and deeply fruity blend of fresh berries and flower petals combine to deliver a rich flavour and intoxicating aroma.

Ceylon Black

Organic decaf black tea

A classic black aromatic, medium bodied tea with a sweet citrus note. An exhilarating tea to be enjoyed at all times of the day and entirely free of caffeine.

Bombay Chai

Organic black tea

Made following traditional recipes with black tea and spices from India.
Strong, aromatic, and full-bodied black tea.
A hint of milk completes the experience.

A decorative border with a repeating floral pattern in dark blue and white surrounds the central text area.
